## Commodore's Report

*From Duane Chaloupka*

There are only two events left in this short season so don't miss them. Octoberfest potluck is Saturday the 6th and begins at 5:30. The annual banquet is October 20th at the Mad Russian in Milliken. Be sure to send your reservations to Mike and Jan Morgan. The banquet includes the election of next year's E-board, so please attend and give your support to those who have agreed to make the commitment of their time and energy to make the club a success.

I would like to thank all the E-board members of 2007. Even though the season was short the amount of effort required was as great as ever. It was especially encouraging to see the return of the Youth Program, and the addition of the Summer Sailstice Open House. Both of these events help us build good community relations and help us recruit new members.

I am already looking forward to next season. The construction project is on schedule and we should have a full season on the water next year.

## Nominating Committee

The nominating committee is presenting the following slate of officers for election to 2008 positions.

Commodore: Mary Homan  
Vice-Commodore : Doug McKnight  
Recording Secretary: Nancy VanDeMark  
Treasurer: Denise Moriarity

No one has accepted nomination for the Corresponding Secretary position. If any member is interested please contact Dale Quakenbush, Marilyn Hughes or Brett Schalamon. John Homan very graciously took on the job last year but would like to share the "wealth". This is a great way to get involved with the club. Please consider applying for the position of Corresponding Secretary. Plus John says he will help any new secretary get going.

The nominating committee will meet Oct. 10th. Any member that wishes to petition onto the ballot needs to present his/her petition to a nominating committee member by that date.

## Social Report

*From Mike and Jan Morgan*

Well, as the temperatures drop, as well as the leaves, we are looking forward to the last two events of the 2007 season.

We are having our last potluck of the year next Saturday night, Oct. 6th. Appetizers are at 5:30 and dinner at 6:00. The theme is Oktoberfest. The club will supply brats, buns, and condiments. A-H brings appetizers, I-P brings side dishes, and Q-Z brings desserts. And everyone is encouraged to bring their favorite brew/beverage. Polka anyone?

Our last event for the season will be our Fall Membership and Awards Banquet. It will be held at the Mad Russian on Sat., Oct. 20 at 6:00. The [registration form](#) is available on the web site. Be sure to reserve your place now for a fun filled evening of friends, fantastic food, and frivolity! See you there!

## Treasurer's Report

*From Denise Moriarty*

I will be presenting a financial statement at the Fall Banquet on October 20th. If anyone can't be there and would like a copy, let me know and I can get it to you. If anyone has any outstanding receipts that need paid, or checks to be deposited, please get them to me, as soon as possible, so I can present financial statements that are as complete as possible. If you know of an expense that relates to the season just ending, but don't have the exact amount, an estimate would be appreciated.

It's been a challenging, and sadly, a short season, but I believe our finances have held up pretty well. Let's hope to get off to a bang next year and get things back to normal!!

## Corresponding Secretary Report

*From John Homan*

I would encourage anyone interested in serving on the e-board as an elected member to think about taking on this position. Although it was a little work to get things started this year when I took over, because of needing to change the software used for the log. The log is now in Microsoft Word and is fairly easy to put together. I would be happy to continue serving in this role, but felt that having two elected members for the e-board serving at the same time could be an issue, so really would love to see someone step up for this position. It takes about 2 hours per month to put the log out. I will be happy to help a new corresponding secretary to get setup and started.

## Clubhouse Report

*By: Randy Pierce (the Clubhouse Guy)*

Going up to the lake has been a sad affair lately since the weather is at its best for sailing (in my opinion), yet the 'lake' is just a puddle. On the other hand, when I am at the clubhouse I cannot really see the lake and everything seems normal and beautiful.

The dumpster will not be there for the last potluck (we are trying to save a little money). Trash should be picked up and deposited elsewhere.

I will be shutting the water off after the last potluck. So if you need to do anything that requires water, do it before then.
