We are really excited about this year's location for the Fall Banquet. We moved the location to the Wayside Inn that is located at 505 Mountain Avenue (Main Street) in downtown Berthoud. Appetizers will start at 6:00 and dinner at 7:00. This year dinner will be of an Italian Buffet consisting of the following:

Anti-pasta della Caso at the reception

Hearts of Romaine in Caesar Fashion

Garlic Bread

Polla Arrosto alle Cacciatore - Roast Chicken with Italian Sausage in a sauce of Mushrooms, Onion, Peppers, Tomato & Marsala Wine, coupled with Penne Rigate Pasta

Tortello Emilliana - Cheese filled Pasta in Asiago Cream sauce with Toasted Almonds, Spinach & Caramelized Onions

New York Cheese Cake

For beverages there will be a cash bar with a special emphasis on Rum Drinks ( As we are sailors ). There will also be coffee and iced tea.

Hello Sailors,

This is my least favorite time of year, the end of the sailing season. Thanks to all who helped to maintain and tidy up the clubhouse this year. We will still have a few get-togethers up there this winter to get us through until next season.

Be brave and of good cheer, me hearties! Though the slips be stacked and our boats safely stored away against the rages of winter storms, there be more water in the lake than when we started this season, and we'll spend fond time getting ready for the season to come!

Slip Pull out: Dana and Victor handle slips and weights while Dale handles the gears!

Congratulations to Carrie Pfister on winning last months "Cabin Boy Nautical Trivia". Rodney's yacht's name was "Seafood". Since I had so many responses to this one I will keep this month's question on the same movie. What was the name of the yacht club where Judge Smails kept his sailing vessel "Flying Wasp"? The first correct answer gets a shiny new burgee sticker.

Cheers,

Jeff Gruver

Slips awaiting their turn for removing.

Water level before 2008 season!
