

Results of Racer Meeting held 2/18/2006 13:00 at the club house

1. Revised the schedule of spring and fall races.
2. Agreed to schedule 3 races for each day of racing with additional throw outs allowed.
3. Expressed the importance of doing racer training as a way to improve crew skills and offering training as a way to attract new members
4. Want to do survey to find out what it would take to get additional club members out racing. Tracy Ireland volunteered to set up survey.
5. Talked about may be having a fleet for inboard cursing boats, also about doing Golf Handicapping (rating the skipper as well as the boat) for the B fleet.
6. Look into using a high point scoring system to make it less of a penalty for missing a day of racing.
7. Adjusted the RC assigned scores as follows:
 - TLE (time limit expired) number of finishers plus 1
 - DNS (did not start) number of starters plus 2
 - DNF (did not finish) number of starters plus 1
 - OCS (on course side) number of starters plus 1
8. Set the PHRF A fleet /B fleet split at 210 for the spring series.
9. We will schedule a racing rules seminar for a week day night this spring.
